

March 13, 2014

Note from the treasurer:

Everyone,

At our general meeting on February 17th it was announced that the club would again require all members to provide a cheque post dated to August 1, 2014 in the amount of \$100 per member as a down payment on next year's fees and as a commitment that the member will be returning next year. This is required because the club will run out of money in August 2014 and we need the funds to get through until October when the balance of the membership fees come due.

Please ensure to provide the post-dated cheque either directly to John Campbell or at the bar prior to March 31, 2014. We have 87 members and we are looking for an 85-90% response as to your commitment to curling for next year.

Our greatest need is new members, so if existing members can invite their friends to join next year, that would be great. There are tentative plans for an open house this year on March 29, 2014 so if anyone has friends that might like to try curling this would be an opportune time.

The last "Hip to be Square" draw for the year will be Thursday, March 20th, 2014. We will be drawing for a free membership for next year, \$75 cash, and prizes donated by Bob Banwell. Thanks Bob.

Thanks,

John Campbell
Treasurer
